FOIA Officer

Naval Criminal Investigative Service

FOIA Request: position, grade, and separation history for former NCIS

employee Foster Curtis

Dear FOIA Officer,

This is a request for records under the Freedom of Information Act, 5

U.S.C. § 552.

I request the publicly releasable federal employment information for former

NCIS employee Foster Curtis, who served approximately 21 years with NCIS

and separated on or about June 2, 2025 from a position as a division chief

within the NCIS Office of the Inspector General: (1) his positions and

titles held, grades, duty stations, and dates of service (information

releasable for federal employees under FOIA and 5 C.F.R. § 293.311); and

(2) the effective date and nature of his separation. This is a request for

the discrete, routinely releasable employment-data record of a single named

former employee; it is not a broad search. If no responsive records exist,

please confirm that in writing, including a description of the search

conducted.

If no responsive records exist, I request written confirmation of that

fact, including a description of the search conducted.

To minimize processing burden, I am not requesting classified information,

sensitive security or law-enforcement methodologies, or private personal

information unrelated to official government business. This request seeks

records of official government activity only.

Fee waiver: I request a waiver of all fees under 5 U.S.C. §

552(a)(4)(A)(iii). Disclosure meets each factor of the public-interest

standard: (1) the subject specifically concerns the identifiable government

operations, programs, or investigations described in this request; (2)

disclosure is meaningfully informative about those operations and how they

are conducted; (3) it will contribute to public understanding at large, not

merely my own, because I will make the records available to the general

public; and (4) it is likely to contribute significantly to public

understanding of how federal authority is exercised and how government

programs and investigations are authorized and conducted. This request is

not in my commercial interest and is not made for a commercial purpose. If

a fee waiver is denied, please notify me before incurring any costs over

\$25.

Expedited processing: I request expedited processing under 5 U.S.C. §

552(a)(6)(E) on two grounds. (1) There is an urgency to inform the public

about actual or alleged federal government activity, and I am a person

primarily engaged in disseminating information: I publish the government

records I obtain through a public records docket available to the general

public. (2) This request concerns a matter of widespread and exceptional

media interest in which there exist possible questions about the

government's integrity that affect public confidence. I certify that the

foregoing is true and correct to the best of my knowledge and belief.

If any portion of a responsive record is withheld, please cite the specific

FOIA exemption claimed and release all reasonably segregable non-exempt

portions, as required by 5 U.S.C. § 552(b).

Please provide responsive records in electronic format (searchable PDF or native file) by email where possible.

I look forward to your determination on this request within the 20 business days provided by 5 U.S.C. § 552(a)(6)(A)(i).

Please confirm receipt and provide a tracking number. I am happy to clarify or reasonably narrow this request if that would speed processing.

Sincerely,
