63G-2-305(11) has asked me to put together a small re-opening ceremony for the courtyard. It's tentatively slated for Wednesday at noon and I want to make sure we loop your team in. I'll know more details later this morning but President will speak, there may be a song, and then we'll be releasing some doves. So likely to be fairly short let me know what else you'll need for me by way of information and I'll keep you updated as well!

Everyone 63G-2-305(11) from Event Services who reports to me just came to my office letting me know that two senators are coming tomorrow. He said that two people showed up at their

offices asking to talk to police about a plan. **6** said they got them to police. If this is indeed true we do need to notify cabinet. Does anyone have any additional information?

63G-2-305(11)

9/9/2025 10:36 PM

This is news to me. Do we know the names of the senators?

63G-2-305(11)

9/9/2025 10:43 PM

63G-2-305(11) said they mentioned Curtis but not another name but said there would be two senators.

63G-2-305(11)

9/9/2025 10:49 PM

Well we only have two! Curtis and Lee.

63G-2-305(11)

9/9/2025 10:51 PM

I was just assuming state senators. Not US congressman senators.

63G-2-305(11)

9/9/2025 10:51 PM

I'm happy to report to cabinet, but I think we need some more information.

63G-2-305(11)

For this event. I'm also assuming it's Curtis and Lee.

63G-2-305(11)

Lee was on CK podcast last week. Starts at 32 seconds: <https://www.youtube.com/watch?v=btcY2l9Oyjl>

The two gentlemen who showed up at 63G-2-305(11) office are NOT from a senator's office. They are GOP reps who played like they knew more than they did!

63G-2-305(11)

9/9/2025 11:19 PM

Now that makes more sense

We were initially planning to meet with 63G-2-305(11) but I think it would be best to give this hour back to him as they are working with new enrollment deadlines this week. I also haven't been able to track down the data we have been trying to get and likely won't have any updates by Friday.

Yesterday during the weekly zoom meeting I discussed the need to have ongoing funds for our POU. These funds will be utilized for training and equipment. The request from our POU leadership is \$10,000 annually. This total has been divided up percentage wise among the police jurisdictions as was done initially in 2021 when our POU was created.

Attached you will find a formal invoice requesting the amount for FY 2025-2026. Like our Major Crimes Task Force, the City of Orem is the fiduciary and is the reason you are receiving the request from me.

If you have any questions regarding this POU assessment, please contact me directly.

Thanks, [REDACTED] I apologize, I should have been clearer!

They are having a dance area, but the event is not centered on a "big" dance. It is mainly a resource fair, even though they have a very small dance area.

So far, the food trucks are on the approved list of vendors, and I have reached out to dining services! & then I need to clarify things with the group about the fire pit, so I'm glad you brought that to my attention.

Let me know if you have any further questions.

Couple of things [REDACTED] On the layout there is a dance area, however you said no dance?

I apologize if you already know some of this but I will just throw it out there.

- The food trucks need to be verified with [REDACTED] from food services. I believe he has a list of food trucks that comply with safety requirements.
- The fire pit, is that an actual fire, a propane fire? For either one you may want to check in with [REDACTED] [REDACTED] regarding safety measures.

I've attached their layout, its just a fair style event with resource tables, but they will be having a DJ and food trucks.

Thank you for submitting your event request to our office for Fall 2025-Spring 2026. At this time, requests for events past August 15, 2025 will only be processed if they have been granted priority access by Student Affairs. These events are granted **first-priority** and have already been determined for 2025-2026. As this event is not listed on the priority calendars, we will not be able to complete the request at this time.

If your event is listed on the Academic Priority Calendar prepared by the Academic Scheduling Office, it will be given **second-priority** and processed after all first-priority events and you will be notified when your event is processed.

If your event is not listed on any priority calendar, it will be processed after all priority scheduling is completed. Priority scheduling is typically completed by the beginning of August, after which we will attempt to contact you regarding our ability to schedule this request. Ultimately, it is your responsibility to follow up with this request in order to get this scheduled once we can review for availability. Please note **no space is reserved** until we are able to review your request.

If you wish to still have an earlier occurrence of this event, you can reach out to Gabby Ballard who is your event coordinator.

Inline-Images: image001.png

Hi 

The Turning Point USA event taking place on Wednesday, Sept. 10th is asking for a written approval statement to use amplified sound. We aren't aware of any restrictions to this but wanted to ask you first. Can I send this statement to the club for approval?

This email serves as official approval for Turning Point USA to use amplified sound during their outdoor event scheduled for Turning Point Club-The American Comeback on Wednesday, September 10th, 2025, at the SC Courtyard. The use of amplified sound is permitted between the hours of 12noon and 3pm, in accordance with UVU's policies and guidelines for outdoor events.

All sound levels must be maintained at a reasonable volume to minimize disruption to surrounding campus activities. The group is responsible for any concerns that may arise during the event due to sound and adjust accordingly.

Thank you,
