Dear ■■■■■■■■■■■■■■■■■■■■

Utah Valley University has received your Government Records Access and Management Act (GRAMA) request #26-315 as of September 3, 2026, seeking:

"(1) every email, text message, or other written communication between any UVU employee and any paving, hardscape, landscape, cleanup, or restoration contractor or its personnel concerning that site — including, if that is the firm, Utah Hardscapes — and the contractor's identity as it appears in those records;
(2) any site sign-in, badge, escort, key, gate, or after-hours access record for that site, or for the fenced area around it, in that period;
(3) any record identifying personnel of a state agency (including the Division of Facilities Construction and Management, the Governor's office, or the Utah State Fair Park) present at or directing work at that site, and any communication between UVU and that agency concerning the work, including the fencing referred to on September 14, 2025;
(4) any record by which the scene was released or returned to UVU's control on or about September 12, 2025 — the notice, email, call log, or memorandum recording the release, the releasing agency, and the time."

In ten (10) business days or less from the date after we received your request, you will receive one of the following:

1. Approval of the request and a copy of the record(s).
2. Denial of the request.
3. Notification that UVU does not maintain the record(s) requested.
4. Notification that because of extraordinary circumstances, UVU cannot immediately approve or deny your request.

Utah Valley University retains the right to charge a reasonable fee to cover the cost of providing a record.

Sincerely,

Utah Valley University
Records Officers
