RE: Records

Dear Mr. [REDACTED],

I am in receipt of your Utah Government Records and Management Act ("GRAMA") request seeking records including "final disposition or outcome of any internal or independent investigation of former Sheriff Nate Brooksby that concluded, was closed, or was pending at his March 2026 resignation — including the categories of allegations examined (as characterized in the disposition record) and the finding, if any. I am not requesting witness statements or the investigative file itself, only the disposition records"

I have sent over the Separation agreement and I have a statement from Washington County, however, there was no internal or independent investigation done in this incident, therefore there are no records to provide.

Sincerely,

Angela Werner
