RE: G.R.A.M.A. Request

We are in receipt of your Utah GRAMA request, dated November 05, 2025, wherein you requested "body-worn camera footage and any other recorded video captured by responding officers" involving Tyler Robinson and Charlie Kirk on September 10, 2025.

The Washington County Sheriff's Office does not have any of the following requested records: body-worn or dashcam recordings, other recorded video, or any other related records, as we were not a responding agency to the incident on September 10, 2025. We would refer you to the Utah County Attorney's Office and the Utah Attorney General's Office for records related to the investigation and prosecution related to this incident pursuant to UCA 63G-2-204(4)(1)(a).

Respectfully,

We are in receipt of your Utah GRAMA request, dated September 19, 2025, wherein you requested "Surveillance video showing Tyler Robinson entering the Washington County Sheriff's Office building to surrender on September 11, 2025".

At this time your request is denied. The Records you are requesting are subject to a pending investigation and are classified as Protected pursuant to Utah Code Ann §63G-2-305(10). Hello,

(I'm not releasing anything- this is so I can respond appropriately). I am confirming whether you do/ do not have any government records for the portion of the request below pertaining to Tyler Robinson on September 11, 2025:  
*"Any written communications (emails, texts, or inter-agency notes) between the Washington County Sheriff's Office and the FBI, Utah DPS, or other law-enforcement partners referring to the surrender."*  
We do not need communication between WCSO & the county- they fall under the same agency.

If it is preferred- I can send this to IT for an email search.

Thank you!

Hi all,

I am performing a records search in response to the request below. Please let me know whether you have any text messages (using a government issued cell phone, or a phone to which you receive a stipend for) related to the creation/ maintenance of video recordings of Tyler Robinson- beginning 09/10/25 to present.

Also, I'd like to confirm we do have video of Tyler Robinson in the interview room. We have been advised by Utah County Attorney's Office to continue to not release any records, but I just need to confirm yes there is, or no there is not video so an appropriate response is sent.

We are in receipt of your Utah GRAMA request, dated September 13, 2025, wherein you requested "Video and/or audio footage associated with the identification, arrest, processing and/or transport of Tyler Robinson in September 2025".

At this time your request is denied. The Records you are requesting are subject to a pending investigation and are classified as Protected pursuant to Utah Code Ann §63G-2-305(10). The preemptive release of the Records could reasonably interfere with the ongoing investigation, could reasonably interfere with criminal enforcement proceedings and the criminal prosecution of the subject, and would create a danger of depriving the subject to a fair trial or impartial hearing.

Pursuant to Utah Code Ann §63G-2-401, you may appeal any portion of this response to the Washington County Chief Administrative Officer of record request appeals. To appeal, you must send a notice of appeal to the Washington County Commission Chair within 30 days. Include with the notice your name, mailing address, daytime telephone number, and an explanation of what relief you are seeking. Any supporting information should also be included.
