

Subject: A man resembling Tyler Robinson confessing on YouTube to shooting Charlie Kirk

Dear Sir,

Please review this video. Towards the end of this video there is a brief clip that shows a young man who resembles Tyler Robinson bragging "We just shot Charlie in the neck," and words to the effect who's next? DHS?

I am not sure if this is actually Tyler Robinson, or if it is a person who strongly resembles him, but it is worth examination.

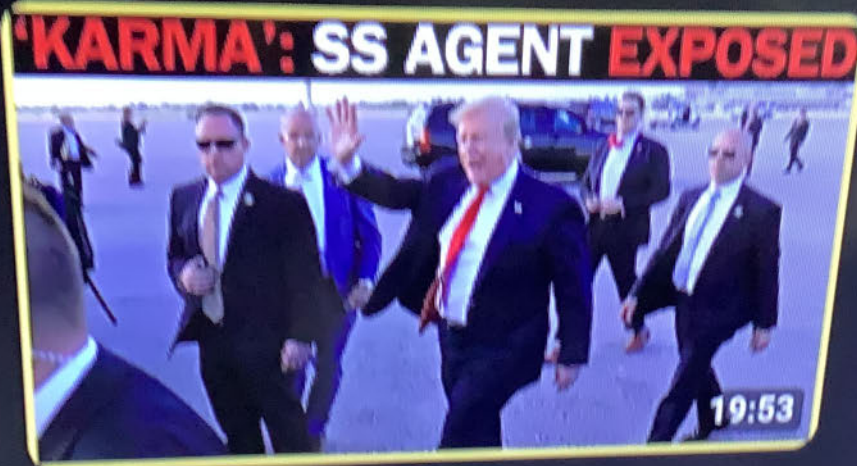

Sincerely,

[REDACTED]

Hey [REDACTED]

I have a request for any emails between to or from the Sheriff's Office after 09/10/2025, using the words Tyler Robinson and video. I don't need it if it doesn't have both. Also, this should exclude any emails either to or from the county attorney's office.

Would you be able to assist with that?

Thank you-
Sherrie Maxwell

Subject: Request for comment: Missing footage of Tyler Robinson

Good afternoon,

My name is Misty Severi and I'm a reporter in Washington D.C.

I'm picking up a local Utah news report that certain video footage of Tyler Robinson at the Washington County Sheriff's Office is missing and was wondering if you had any comments for the story?

Our article is based on this story:

<https://katv.com/news/nation-world/timeline-the-case-against-tyler-robinson-accused-of-assassinating-charlie-kirk-utah-valley-university-political-violence-death-penalty>

If you have any comments on why the surveillance is missing and what that could do to the case against Robinson, I would greatly appreciate it. Please send it to this email or you can give me a call at the number in my signature. Thank you.

So you lost all the video footage of Tyler Robinson turning himself in. Wow...real professional! So who is in on the fix? How much are you getting paid to throw the case? You should all be ashamed of yourselves. You call yourselves law enforcement. You are all pathetic losers!!!!

Hi [REDACTED]

No videos are missing; all of our video footage relative to the surrender of Tyler Robinson has been sent to the prosecuting agency, the Utah County Attorney's Office. As it is an active investigation and prosecution, they are not releasing those materials to the media or public. If it is any reassurance, I was in the Sheriff's Office the night he was brought in and assisted the FBI and Utah SBI with the arrest and transport of Tyler Robinson to the Utah County Jail.

Best regards,

Barry Golding

Dear Sir:

I just read in the Gateway Pundit that the surrender video of Tyler Robinson in the Charlie Kirk murder case is missing from your office. I live in Washington County UT so this is concerning to me and my family.

Is this story true? Do you have any videos of Tyler Robinson entering the premises of your office or surrounding areas? Do you have any videos at all of Tyler Robinson in regard to the Kirk murder case? The citizens need to be assured of your lawful cooperation in this case.

Thank you and we appreciate your service.
