We are in receipt of your Utah GRAMA request dated July 09, 2026 wherein you requested: a multitude of records relating to Tyler Robinson's current case where he surrendered to our office.

I can reply to sections of your requests.

1. There is no video of the lobby or hallways of the Patrol Building when Robinson turned himself in. The video was not clipped and exported, therefore it was deleted between 14-30 days after it was recorded. He was never at Purgatory Correctional Facility.
2. Washington County, Utah does not have it's own Retention Schedule regarding video in the Patrol building. We adhere to the Utah State Retention Schedule GRS-2021. (attached).
3. There are no records documenting the deletion, overwriting, or non retention of the video.
4. Each email request and reply with the words, "Tyler Robinson and Video", will require redaction as they include information that is classified "Protected" and/or "Private", which will be denied per: You are denied addresses per 63G-2-305(51) The following records are protected if properly classified by a governmental entity: unless otherwise classified as public under Section [63G-2-301](#) and except as provided under Section [41-1a-116](#), an individual's home address, home telephone number, or personal mobile phone number, if:

Pursuant to the Utah Government Records Access and Management Act (GRAMA), your request for a fee waiver has been reviewed and is denied. The scope of your request requires an extensive search, retrieval, review, and potential redaction of records, resulting in significant use of staff time and resources. In accordance with UCA § 63G-2-203(1) and (2), a governmental entity may charge a reasonable fee to cover the actual cost of providing records. You will not be charged for the records themselves, however you will be charged for the staff time to complete this at the hourly rate of the lowest paid employee that is able to complete this request, not including the first 15 minutes of time. It will exceed \$25, however I can

not anticipate at this time the cost. You will be advised by the 30st of the cost accrued for redaction. It is anticipated to be over 4 hours of time.

This request is for a voluminous amount of records and requires the review of a large number of records. With such, additional time is needed to respond as allowed under GRAMA, UCA 63G-2-204(6)(c) & (e). It is anticipated that this request can be completed by July 30th. The records will be provided upon receipt of fee.
